

**Hope Cancer Resources Foundation** established a women’s giving circle in 2025. **Circle of Hope** is a membership-based group of women joining together to help individuals in Northwest Arkansas living their personal cancer journey. Hope Cancer Resources’ financial assistance program has been the focus and it is vital in supporting individuals with cancer during a challenging season in their life.

Our financial assistance program helps provide gas cards for the added fuel cost of getting to treatment, and in the payment for prescription medications, dental care, nutritional supplements, travel expenses , and everyday living expenses such as rent/mortgage, car payments, and utilities.

## Hope Cancer Resources

The mission of Hope Cancer Resources is to provide compassionate, professional cancer support and education in the Northwest Arkansas region today and tomorrow.

Our vision is to provide hope and enhance the quality of life by expanding prevention, wellness, and comprehensive cancer support services in our region.

We provide transportation to take patients to every cancer treatment as needed as well as education to help a patient during and after their treatment. Financial assistance is provided to alleviate some of the financial stress a patient and their family may face.

Believing emotional support is essential for healthy survivorship, we offer counseling services ranging from a kind word or listening ear to one-on-one, couples or family counseling sessions with a licensed mental health professional.

Emotional support is also provided in group settings.

Our Wellness Center for Hope provides a safe space for patients and caregivers to enhance their quality of life by restoring physical activity, optimizing nutrition and healthy weight, and developing healthy behaviors and lifestyles.

In addition, Hope Cancer Resources empowers the community by providing cancer prevention education that includes sun and UV safety, tobacco prevention and treatment, and healthy lifestyle behaviors to lower cancer risk.

The services of Hope Cancer Resources are unique.

We are the only provider of oncology social workers in our community.

All of our services are provided at no cost and are supported through grants, special events, and individual and corporate giving, and the Hope Cancer Resources Foundation.
